Induction Program Report

The induction program for the newly admitted students was organized on the 7th July 2025 under the president of college principal Mr. Shinde Y. B.. The one-day event aimed to orient the students, motivate them, and provide crucial academic information that will guide them throughout their academic year. The program was designed to not only familiarize students with the academic structure but also to create a welcoming environment for them to bond with their peers. The induction was carefully structured to balance motivational speeches, informative sessions, and engaging activities.

7th July 2025

On this day induction program began with a warm welcome to all the newly admitted students. The purpose of this session was to help the students feel comfortable and excited about starting this new chapter of their educational journey. The event was attended by faculty members, administrators, and the students.

Introduction of Students:

To break the ice and help students feel more connected, the session began with introductions where each student had an opportunity to introduce themselves. This allowed everyone to know their peers, promoting an initial sense of community and inclusiveness.

Motivational Speech by Guest:

The first major event of the day was a motivational speech delivered by our distinguished guest speaker, Ad. Anushree Upase Ma'am, she addressed the students with great enthusiasm and passion, focusing on the importance of maintaining high motivation levels throughout their academic and personal lives. Ma'am spoke about the challenges and opportunities that students would encounter during their academic journey. She emphasized the importance of discipline, focus, and dedication in achieving success, urging students to take their education seriously while remaining balanced and adaptable in the face of challenges. Her words of encouragement set a positive tone for the rest of the day and inspired the students to give their best in both their academic and personal endeavors.

The second Speech began with a highly inspiring & informative speech by our principal Mr. Yogesh Shinde, who further strengthened the motivational foundation laid the previous . Mr. Shinde sir, a well-respected figure in the academic community, spoke about the importance of holistic development and the need to balance academic excellence with personal growth. He encouraged the students to not just focus on their studies but also engage in extracurricular activities that would help develop their personality and leadership skills.

Sir also talked about the significance of mental health, stress management, and the role of a positive attitude in overcoming obstacles. His speech resonated deeply with the students, providing them with valuable insights into achieving long-term success, both academically and in life.

Informative Session on Academic Details:

Following the motivational speech given by Miss. Salve Sakshi, the students were provided with crucial academic information to help them navigate their coursework. The session included a detailed overview of the following:

Curriculum Overview: Students were given an in-depth look at the syllabus for the year, with specific focus on core subjects, electives, and important deadlines. This session ensured that students had a clear understanding of their academic responsibilities.

Exam Patterns: The students were briefed about the examination patterns, including formats (written exams, practical's, assignments), duration, and types of questions they can expect. Knowing this in advance helped students prepare mentally for the challenges ahead.

Marking Scheme: Understanding the marking system was crucial for the students, as it provided clarity on how their performance would be evaluated. The faculty discussed the weightage assigned to different components like assignments, exams, and class participation.

Academic Expectations: The session also covered expectations regarding attendance, deadlines, and academic integrity. Students were encouraged to be proactive, seek help when needed, and make use of available academic resources.

The session was interactive, with students asking questions and engaging in discussions about the academic processes, which gave them a clearer picture of what to expect throughout the year.

Outcomes and Impact:

The induction program achieved its goal of preparing students for their academic journey by providing them with essential academic information, offering motivational guidance, and creating an environment for social interaction and bonding. Students left the program feeling more informed, motivated, and connected with their peers and faculty. The program successfully laid the groundwork for a successful academic year, with students now better equipped to tackle their coursework, exams, and extracurricular activities.

The One-day induction event proved to be an invaluable start to the students' academic journey, combining both intellectual and personal development. Moving forward, it is hoped that the students will continue to draw inspiration from the program and apply the lessons learned as they embark on this exciting new phase in their education.
